## Mosquito Control

Item#	Description	Case Qty	UPC
DT160	¼ Acre Decora Outdoor Mosquito and Insect Trap - Tungsten	6	043256281700

The DynaTrap® perfect for your urban or suburban yard! This ¼ acre trap attracts and kills mosquitoes and other nuisance flying insects including biting flies, wasps, stink bugs, and Asian beetles. DynaTrap Insect and Mosquito Trap is engineered for 3-way protection. First, a UV fluorescent bulb generates a warm light, attracting insects. Then a second lure, an exclusive TiO2 titanium dioxide-coated surface, produces CO2 that's irresistible to mosquitoes. Third, a powerful yet whisper-quiet vacuum fan sucks insects into the retaining cage where they dehydrate and die. Our patented damper flaps ensure any insects still alive in the retaining cage will not escape when the trap is turned off.

- Protects up to 1/4 acre--protect your family and pets from nuisance insects that may bite and spread disease.
- Produces CO2, an irresistible attractant for mosquitoes, through a chemical reaction. Additional lures or attractants are optional.
- Odor-free--can be used indoors and outdoors.
- Durable all-weather construction.
- Whisper quiet operation--No zapping or buzzing.
- Easy to set up.
- 1 Year Limited Warranty.
