Professional Pest Control Products - Edition 5

WOODSTREAM™

VICTOR®   DYNATRAP®   HAVAHART®

Woodstream Corporation is recognised as a world leader in pest control technology and has been at the forefront of innovation for more than a century. The company began trading as the Animal Trap Company of America in the late 19th century and since the revolutionary invention of the spring-based Victor® mouse trap in 1898, the company has continued to develop its innovative product offering.

We continuously strive to manufacture innovative, quality products to protect the environment from the dangers rodents and other pests pose. Our current product offering is targeted to meet the varying needs of today's pest control professionals. So, whether you are attempting to prevent an infestation or trying to fight an active one, there is a product to fit each and every situation. Humaneness is at the core of our product development ethos and we are proud to include in our portfolio, products that have the quickest kill ratings.

From our US headquarters in Lancaster, PA, we supply throughout the UK, Europe, Asia and South America.

 300 **individual traps when split**

HAVAHART® X-SMALL GRAVITY ACTION DOUBLE DOOR LIVE CAGE TRAP

• Best used for mice, shrews, and voles

• Solid doors and handle guards allow you to minimize contact with the animal

• Smooth, rolled internal edges help prevent injuries to the animal during transport

• Two-door design provides animal with clear line of sight and increases chances of a catch

• Traps are built to last with premium, rust-resistant materials

• Size: 10 x 4.25 x 3 inches

1020

1

HAVAHART® SMALL 1-DOOR LIVE ANIMAL TRAP

• Designed for humane catch & release of squirrels, weasels, chipmunks and similarly sized animals

• Safety Shield protects users from animal contact so it's safer for you and them

• Comfort Grip handle and lightweight design allows for easy carrying

• Sturdy galvanized wire mesh resists damage and rust

1026

📦 1

HAVAHART® X LARGE
SINGLE DOOR TRAP

• Best used for armadillos, beavers, bobcats, cats, dogs, foxes, groundhogs, opossums, and raccoons

• Handle guard protects you from contact while the animal is inside

• Smooth, rolled edges on the inside of the trap protect the animal from injury

• Extra-strength door lock prevents escapes

• Built to last with rust-resistant, galvanized steel

1081

 1

HAVAHART® SMALL SINGLE DOOR EASY SET® TRAP

• Ideal for trapping squirrels and rabbits

• One handed set – One handed release

• Simply lift lever to the back of the trap – trap is set

• Lever is ideally positioned for releasing animal.

• Smoothed internal edges protect and prevent injuries to animals

• Proven efficacy derived from extensive field testing means higher catch rate and fewer escapes

• Resists rust and corrosion

• Trigger rod is located outside of the trap so animal cannot damage it while in the trap

1083

📦 1

DYNATRAP®
½ ACRE MOSQUITO AND INSECT TRAP WITH OPTIONAL WALL MOUNT
